Monsieur,

Au nom du Comité du Conseil de sécurité créé par la résolution 1718 (2006), j'ai l'honneur de me référer à votre lettre datée du 16 août 2023, dans laquelle vous transmettez au Comité une demande de l'organisation non gouvernementale Korean Sharing Movement (KSM) tendant à l'obtention d'une nouvelle prorogation, pour une période supplémentaire de 12 mois, à titre exceptionnel, en raison de la fermeture prolongée de la frontière de la République populaire démocratique de Corée, de la dérogation accordée le 2 décembre 2019 et prorogée jusqu'au 21 août 2024 en vertu du paragraphe 25 de la résolution 2397 (2017) du Conseil de sécurité et conformément à la Notice n° 7 d'aide à l'application, pour permettre l'expédition de matériaux et d'équipements en République populaire démocratique de Corée aux fins de la remise en état et de l'amélioration des installations de la pépinière forestière de Gaepung, située dans la province du Hwanghae du Nord, afin de contribuer à la restauration des forêts dévastées dans les provinces du Hwanghae du Sud et du Hwanghae du Nord et d'améliorer la sécurité alimentaire des habitants des zones voisines.

Je vous informe qu'après avoir dûment examiné votre demande, le Comité a décidé de proroger la dérogation jusqu'au 21 août 2025, afin d'accorder à Korean Sharing Movement le temps nécessaire pour acheter et expédier les articles concernés, dont la liste est jointe en annexe à la présente, en application du paragraphe 25 de la résolution 2397 (2017).

Le Comité tient à remercier le Bureau du Coordonnateur résident des Nations Unies en République populaire démocratique de Corée de sa diligence.

J'ai l'honneur de vous informer qu'après avoir dûment examiné la demande, le Comité a décidé de proroger le délai de la dérogation jusqu'au 21 août 2024, conformément au paragraphe 25 de la résolution 2397 (2017) du Conseil de sécurité, afin de permettre l'achat et l'expédition des articles concernés, dont la liste est jointe à la présente.

Le Comité tient à remercier le Bureau du Coordonnateur résident par intérim des Nations Unies en République populaire démocratique de Corée de sa diligence.

Le 2 décembre 2019

Monsieur l'Ambassadeur,

Au nom du Comité du Conseil de sécurité créé par la résolution 1718 (2006), j'ai l'honneur de me référer à votre lettre datée du 20 novembre 2019, dans laquelle vous avez transmis au Comité une demande de dérogation de l'organisation non gouvernementale Korean Sharing Movement (KSM), présentée en vertu du paragraphe 25 de la résolution 2397 (2017) et conformément à la Notice n° 7 d'aide à l'application, en vue de mener des activités humanitaires en République populaire démocratique de Corée afin de remettre en état et d'améliorer les installations de la pépinière forestière de Gaepung, située dans la province du Hwanghae Nord, ce qui contribuera à la restauration des forêts dévastées dans les provinces du Hwanghae Sud et Nord et améliorera la sécurité alimentaire des résidents des zones voisines.

Je vous informe qu'après l'avoir dûment examinée, le Comité a décidé, conformément au paragraphe 25 de la résolution 2397 (2017) du Conseil de sécurité, d'approuver la demande de dérogation présentée dans la lettre susmentionnée et d'autoriser le transfert, dans un délai de six mois, des articles et services qui y sont visés et dont la liste est jointe à la présente lettre. Les articles devront être expédiés en un seul chargement ou par envoi groupé, le but étant d'en simplifier autant que possible le transport et le dédouanement.

Le Comité rappelle que les sanctions imposées à la République populaire démocratique de Corée par le Conseil dans ses résolutions n'ont pas pour objet de porter préjudice à la population civile, et que la note verbale qu'il a adressée aux États Membres et son communiqué de presse portant la cote SC/13113 en date du 8 décembre 2017 contiennent des précisions concernant l'aide humanitaire à la République populaire démocratique de Corée. Il est également rappelé dans la note que chaque État Membre doit appliquer pleinement les mesures imposées par le Conseil, en gardant à l'esprit la nécessité d'expliquer clairement aux entités publiques et privées relevant de sa juridiction que l'application des sanctions ne doit pas indûment entraver l'aide humanitaire.

Son Excellence
Monsieur Cho Hyun
Représentant permanent de la République de Corée
auprès de l'Organisation des Nations Unies
New York

Le Comité autorise et encourage la République de Corée à mener les opérations commerciales et financières strictement nécessaires à l'achat des biens et services faisant l'objet de la dérogation et dont la liste est jointe, sans préjudice des décisions à caractère commercial qui seront prises à cet égard.

Dans le même temps, le Comité demande aux organisations qui fournissent une aide humanitaire en République populaire démocratique de Corée de respecter la durée de la dérogation qui leur est accordée et de se conformer pleinement aux lois, réglementations et autorisations nationales qui régissent les opérations financières et commerciales, le transport de marchandises et les activités de dédouanement sur le territoire des États Membres concernés.

Je vous informe que la présente lettre et son annexe seront publiées sur le site du Comité 1718 et mises à la disposition du public, notamment des autorités nationales qui participent au contrôle des transferts vers la République populaire démocratique de Corée faisant l'objet d'une dérogation, et ce, pour une durée de six mois.

Le Comité tient à remercier la République de Corée de sa diligence.

Veillez agréer, Monsieur l'Ambassadeur, les assurances de ma très haute considération.
